9.3. Notes on the pronominal Suffixes. The chart with Type 1 and Type 2 suffixes constitutes the essence of this chapter.

9.3.1. With few exceptions, Type1 suffixes occur with singular nouns and Type2 suffixes occur with plural nouns.

9.3.2. All pronominal suffixes have person, gender, and number. The first person singular and plural forms are common.

9.3.3. All Type2 suffixes have ם as part of their spelling.

9.3.4. The dot in the ףָּ of the Type 1 3fs suffix is called Mappiq.

9.3.5. A few alternate forms exist for the Type1 pronominal suffixes.

1cs	ִּי → to → םִּי
3ms	וֹ → to → םוֹ
