MASTER OF THEOLOGY

Master of Theology

Degree : Master of Theology (Th. M.)

Course work : 2 years

Major	Type	Course No.	Course Name
Old Testament	Req'd Courses	GOT0441	Readings in Biblical Hebrew
		GOT0381	History of OT Hermeneutics
		GOT0901	Exegesis on the Kethubim
Major	Type	Course GOT1151	Exegesis: Prophets Course Name
		No. GOT1307	The Pentateuch

	Major Electives	GOT1141	Recent Trends in the OT Theology
		GOT0221	Advanced Hebrew Reading
		GOT1221	Writings
		GOT0531	Biblical Archaeology
		GOT1314	History of Israel
New Testament	Req'd Courses	GNT0331	Pauline Theology
		GNT0281	NT Theology: Synoptic Gospels
		GNT1481	Theology of the Gospel of John
		GNT0531	Reading the N.T. in Greek
		GNT0691	NT Hermeneutics
	Major Electives	GNT0662	Acts
		GNT5017	Historical Background of NT
		GNT0661	NT Exegesis
Historical Theology	Req'd Courses	GHT5014	Methodology of History
	Major Electives	GHT1372	Awakening Movement in the 18th and 19th Century
		GHT1313	Pietism and Faith Awakening Movement
		GHT1354	Theology of the Early Church Fathers
Major	Type	Course No. GHT1358	Seminar: History of the Early Church Course Name
		GHT0581	History of the American Church

		GHT1271	History of the Asian Church
		GHT1191	Ecumenical Theology
		GHT5028	Seminar: The Reformation
		GHT5013	Theology of Reformation
		GHT1094	Seminar: History of the Medieval Church
		GHT1095	Medieval Theology
		GHT0926	History of the Korean Church
Systematic Theology	Req'd Courses	GST0161	Reformed Theology
		GST0381	Classic Systems of Theology
		GST0621	Contemporary Theology
	Major Electives	GST0241	Christology
		GST1101	Evangelical Theology
		GST0881	Theology of Bonhoeffer
		GST0871	Holy Spirit and the Church
		GST5021	Doctrine of God
		GST1081	Theology and Theologians
		GST1151	Theological Hermeneutics
Major	Type	GST1141 Course	Humanity and the Created World
		GST1111 No.	Seminar: Systematic Theology

Christianity and Culture	Req'd Courses	GCC0151	Christian Social Ethics	
		GCC0191	History of Christian Ethical Thought	
		GCC0201	Christian Ethics and Korean Ethics	
		GCC0171	Methodology of Christian Ethics	
	Major Electives	GCC0443	Christian Practical Ethics	
		GCC0361	Sociology of Religion	
		GCC0441	Contemporary Christian Ethics	
		GCC0173	Christianity and Culture	
Practical Theology (Liturgics and Homiletics)	Req'd Courses	GPT0391	Homiletics and Communication	
		GPT0482	Seminar: The Sacraments	
		GPT2052	Contemporary Homiletics Theology	
	Major Electives	GPT0421	History of Homiletics	
		GPT2054	Preparation and Delivery of Preaching	
		GPT0432	Forms of Homiletics	
		GPT0573	Seminar: Contemporary Worship Trend	
		GPT0411	Comparative Study of Homiletics	
		GPT6010	History and Theology of Worship	
		GPT0571	Presbyterian Worship	
Practical Theology (Pastoral Counseling) Major	Req'd Courses	GPT0271 Course	Theory and Practice of Pastoral Counseling	
	Course Type		Course Name	
	Major	No. GPT1601	Family Therapy	

	Electives		
		GPT2046	Short-Term Pastoral Counseling
		GPT2045	Object Relations Theory and Counseling
		GPT2048	Pastoral Counseling and Psychodynamics
		GPT0261	Practicum for Pastoral Counseling
		GPT2021	Cognitive Counseling
		GPT0551	Clinical Pastoral Counseling
		GPT1291	Psychological Assessment and Clinical Application
		GPT0542	Theory and Practice of Group Counseling
		GPT2047	DSM IV (Mental Disorder Diagnosis and Spiritual Diagnosis)
Practical Theology (Spirituality Theology)	Req'd Courses	GPT1724	Study of Mysticism
		GPT1723	Theory and Practice of Spiritual Guidance
	Major Electives	GPT1803	Theology of Prayer
		GPT1725	Spirituality and Theology of Spiritual Training
		GPT1806	Spiritual Guidance and the Bible
		GPT1807	Spiritual Guidance and Discernment
		GPT1804	Psychology of Prayer
		GPT1802	Spirituality and Psychology
Major	Type	Course No. GPT1726	Spirituality and Theology of Spiritual Training
			Course Name
		GPT1805	Tradition and Diversity of Spiritual Guidance

		GPT1808	Spirituality of Prayer
		GPT1808	Spirituality of Prayer
Mission Theology	Req'd Courses	GMT8113	Theory of Church Growth
		GMT0341	Church and Mission
		GMT0625	History of Mission Movement
		GMT0613	Theory of Church Growth
		GMT6114	Cross-Cultural Mission
		GMT0701	Contemporary Theology of Mission
	Major Electives	GMT0933	Pietistic Mission and Today's Asia Mission
		GMT6213	Pauline Theology of Mission
		GMT0916	North Korea Mission
		GMT0923	Mission and Ecumenism
		GMT8314	Research Methodology
		GMT0605	Theory and Practice of Evangelism
		GMT0711	Theology of Third World Mission
		GMT6313	Religion and Culture
		GMT0917	Leadership Development
		GMT0615	Practicum of Cross-Cultural Mission
		GMT0896	Urban Mission

Required Courses for Master of Theology by Major

GOT0441 Readings in Biblical Hebrew

Read and interpret Hebrew OT to understand the real meaning of the Scripture and lay the solid foundation of commentary composition.

GOT0381 History of OT Hermeneutics

Historically compare the various analytical methods and interpretations attempted to understand OT since its formation; study the features of that time.

GOT0901 Exegesis on the Kethubim

Introduction of interpretation issues related to the entire section of the Writings. One book is chosen from the Writings to compose commentary; theological features of Writings are examined.

GOT1151 Exegesis: Prophets

Generally interpret the Prophets and study the scope of the activities of the prophets, the background of that time, and how the prophets influenced the history of Israel's religion.

GOT1307 The Pentateuch

Introduction of interpretation issues in the research of the Law/Torah/Pentateuch. One book is chosen from the Law/Torah/Pentateuch to compose commentary; theological features and the formation process are examined.

GNT0331 Pauline Theology

Understand in depth the relationship of salvation, grace, covenant, law, church, baptism, and ethics discussed in today's Pauline theology; traditionally interpret and compare to grasp similarities and differences of these topics.

GNT0281 NT Theology: Synoptic Gospels

A more detailed study is attempted through literary research, historical form research, historical edit research and historical transmission research

GNT1481 Theology of the Gospel of John

Form a system through the study of theology and ideology of the book and the epistles of John, which are important ideological ranges of the NT. Compare with Pauline theology and other writers' theology to examine theology of John's texts.

GNT0531 Reading the N.T. in Greek

Focuses on advanced Hebrew, study the details of grammar and writing in order to completely and grammatically understand Greek NT.

GNT0691 NT Hermeneutics

Interpretation theories of NT are to be examined. Review the history of Bible interpretations and the principle of the Bible; study the historical critical interpretations and the recently emerged theories of interpretation.

GHT5014 Methodology of History

General history is reviewed and applied to theological history to criticize with appreciation, evaluation, and acceptance.

GST0161 Reformed Theology

Study in depth the reformed theological ideology which is particularly focused on the Bible during the reformation movement. Examine how Calvin, Zwingli and Bullinger's ideology relates to the 17th century Calvinistic Presbyterian theology.

GST0381 Classic Systems of Theology

Systematically study comparatively the ideology of Origen, Augustine, Aquinas, Calvin, Schleiermacher, Barth, and Tillich.

GST0621 Contemporary Theology

Comparatively study the contemporary theology from Barth to Moltmann comprehensively and historically; critically examine how theological ideology relates to the evangelical and biblical theology.

GCC0151 Christian Social Ethics

GCC0191 Christian Social Ethics

Analyze political, economical, and sociological issues that are happening in the contemporary society, and theologically and ethically analyze the response methods.

GCC0191 History of Christian Ethical Thought

Generally study the ethical thinkers who greatly influenced the formation of Christian ethics, especially the Bible, Augustine, Aquinas, Calvin, Edwards, Rauschenbusch, Barth, Niebuhr, and Thielicke.

GCC0201 Christian Ethics and Korean Ethics

Study few frames of Christian ethics and compare it to the various ethical systems of Korea, and at the same time analyze and evaluate the ethics of Korean Christians.

GCC0171 Methodology of Christian Ethics

Starting point of Christian ethics; comparative study of God's will, standard, and decision process.

GPT0391 Homiletics and Communication

Overview of basic theory of communication for sermons; presentation of application methods depending on different topics, such as general communication theory, application of communication for sermon, and communication methods suitable for the Korean church.

GPT0482 Seminar: The Sacraments

The sacraments are holy gifts given to the church by God. Therefore, the church effectively discovers the way of grace when they properly understand and implement the sacraments. In the tradition of reformed church worship, sacraments are relatively marginalized from the center of worship. Thus, the systematic study of the sacraments is a very important project that can bring back the church to life. Lecture approaches the sacraments from a historical, theological and practical perspective.

GPT2052 Contemporary Homiletics Theology

Find homiletics of the 21st century through focusing on the course of Homiletics formed after the mid-20th century, theories of homiletics and theology of "the New Homiletics" newly emerged from contemporary homiletics, and the third wave of homiletics trend, which is expository sermon.

GPT0271 Theory and Practice of Pastoral Counseling

Trace the meaning of life in theology that began from the basic theory of psychological counseling and the revelation of God. Discover how to solve the fundamental problems of people by reconciling two parties who clash in ministry field, and discover how to restore the life of God-centered faith through that process.

GPT1724 Study of Mysticism

Study Mysticism and related theories and phenomenon to promote overall understanding.

GPT1723 Theory and Practice of Spiritual Guidance

Experience spiritual guidance through the practice of spiritual guidance, and learn related methods. Learn main theories of spiritual guidance through the discussion based on experience, and seek deeper understanding of spirituality and spiritual journey, spiritual guidance, and conversion.

GMT0613 Theory of Church Growth

Overall academic assessment of various views of the scholars of the church growth; comprehensively study from the theoretical basis.

GMT0341 Church and Mission

Identify missiological personality of the church, form a missiological aspect of the church, and establish the right relationship between church and mission.

GMT0625 History of Mission Movement

Review the past one thousand years of World Mission. Survey mission history generationally and denominationally, which has progressed for the past one thousand years. Study mission feature of each time and each denomination; learn the lesson, wisdom, and missiological passion.

GMT0614 Cross-Cultural Mission

21st century mission field demands missions through critical conversations and encounters of all cultures, ethnic groups, religions, and history of the continent. In cross-cultural mission, issues that rise from specific situations and characteristics of the mission field are dealt with. Find principle and methods of cross-cultural mission that suits the new mission situation of the 21st century through understanding and coping with specific kinds of issues unique to the respective mission field.

GMT0701 Contemporary Theology of Mission

Survey the changes in mission theology which advanced in the 20th century, and examine the features and trends of contemporary mission theology.
